

ARMY, NAVY, MARINES, AND COAST GUARD OFFER COLLEGE RESERVE PROGRAM

Enlistment Board

Due Here Oct. 28

Dean of Men T. H. Glenn today announced that the Army, Navy, Marine Corps, and Coast Guard have all plans this year under which a student may enlist in the nation's armed reserve and maintain his inactive status as long as he remains in college and sustains a satisfactory grade record.

In some cases he is allowed to finish his four years of college education and in other cases he will be called to enter the service at the termination of his sophomore year. Navy reserve students who expect to be deck or engineering officers will be allowed to complete four years of college training. After a brief period of training at a Navy pre-induction center, the student is commissioned as second lieutenant in the U.S. Navy reserve.

Mr. Glenn declared that on Oct. 20 a joint Army, Navy, Marine, and Coast Guard board will visit the campus and officers representing these four branches of service will explain in an all-male assembly the various opportunities of each branch.

Enlistment Board

On Oct. 28 and 29 an enlistment board will visit the jaysee to complete enlistments of all students expressing a desire to join any branch of the reserve program.

Reserve Members

Among those who have already taken advantage of the reserve plan are Lewis Locke, Lewis Johnston, Harold Stanley, Field Berry, Jack Davis, Charles Hindley, Willard Keeler, Carl Zlaket, Harry Bancroft, Ray Ross, Norman Magness, William Barnett, Floyd Taitt, William McPhee, Charles Christian, Thomas Mathewson, Bob Brigante, Bill Gulley, Charles Pierson, Darrell Greenwald, Robert Hoyt, and Paul Cleary.

Brigante Appoints New ASB Officers

Three new appointments to the Associated Students board were disclosed today by Bob Brigante, ASB president.

Charles Page was named commissioner of assemblies while Eugene Murphy was appointed commissioner of athletics. The third selection was that of Jeanne Turner for social commissioner.

The posts of ASB treasurer, commissioner of advertising, and Del Ano commissioner are still vacant, but Brigante added that further appointments will soon be made.

The remainder of the board includes Mildred Hampton, vice-president; Glenna Jean Tichenal, secretary; Helen Butler, AWS president; Anita Wasson, WAA president; and Gus Luzania, commissioner of El Don.

DON S. OVERTURF will head the college journalism department this year. He is replacing Director John H. McCoy as adviser of El Don.

Decrease Of 190 In Jaysee Total Enrollment Recorded By Registrar

NYA Quota To Be Cut One Fourth

National defense work, the draft, and the abundance of good-paying jobs in Southland industries were cited today as reasons for a drop of 190 students in local enrollment figures this year.

T. H. Glenn, director of the funds for the college announced the cut, and at the same time indicated a belief that there would be no special inconvenience caused by the decrease inasmuch as local employment bureaus and the jaysee placement bureau report a lack of students for available jobs.

Restrictions regarding student aid are greater than in previous years. No applicant may receive NYA help unless the funds are essential to the proper continuation of his education.

NYA students will continue to be paid 40 cents an hour and help will include clerical, janitor, and gardening.

Six New Instructors Join Jaysee Staff

Six new junior college faculty members are today undergoing their own "Freshman days" along with the rest of the first year students.

Replacing Director John H. McCoy as journalism instructor is Don Overturf of Norfolk, Neb. who will have several courses in social science in addition to his journalism duties.

Dr. Earl Sanders, a graduate of Iowa State college, is the new head of the jaysee science department, post vacated by J. Russell Bruff who is on sabbatical leave.

Harry Cornsweet, formerly of Brown University, has charge of the civilian pilots training program and is also teaching bacteriology and anatomy. He is replacing former CPT coordinator C. E. Line.

Kenneth Heiges of the high school will have charge of the Don orchestra and band.

Bill Foote, formerly of the high school, is replacing John Ward as assistant football coach. Mr. Ward left this year to enter the Naval service where he now holds a lieutenant's commission.

Request Daily Check Of Student Boxes

To facilitate inter-college communication, all students are requested to check the student mail boxes daily.

The alphabetized mail distribution system is divided into two sections, the one located just outside the east door of the jaysee office in college hall being for the use of the men students and the mail box situated on the left of the entrance to C110 is for women students.

Students Warned Concerning Books

New and returning students were cautioned today to wait until receiving definite instructions from college instructors before purchasing their textbooks.

BEGINNING HIS FIRST year as director of the junior college today is John H. McCoy, standing. He is replacing D. K. Hammond who retired this year after having directed the destinies of jaysee since its doors were first opened to the public in 1915. Mr. McCoy was formerly assistant director and head of the journalism department.

New Counsellor Plan Is Adopted As Economy Of Time Measure

Inaugurated this fall as an innovation in student advisorship a new counsellor plan is functioning quite successfully, Herman J. Sheffield, head of the department of counsel and guidance, asserted today.

Five counsellors have been named to advise students majoring in common fields. Mr. Sheffield listed the counsellors for each division as follows: Miss Genevieve Humiston, commercial; H. A. Moomaw, engineering and mechanics; and Orville Knutson, Miss Agnes Todd Miller, and Mr. Sheffield, letters and science.

Same Vocations

The new plan calls for each instructor having a group of students interested in the same vocations as members of an orientation class. The group will discuss its common and individual

problems during the class period.

Mr. Sheffield stated that the new arrangement will eliminate much time lost in the past by counsellors attempting to meet different problems of students majoring in varied fields.

Offer Opportunity

The new economy of time measure will also offer the instructors an opportunity to carry a larger number of classes on their schedules, thereby replacing many of the instructors who have left jaysee.

Freshman Proclamation

Whereas the time spent in college will be dedicated for the furthering of the war effort and the accelerating of the ultimate victory, and

Whereas for such furthering and accelerating a definite program of instruction is universally accepted,

It is hereby proclaimed that the members of the Associated Student Body shall abide by the following suggestions and up to the completion of the college course:

1. That each and every student shall do his utmost to maintain a high scholastic average, striving at all times to better his mental outlook.

2. That he shall follow with obedience the strict physical fitness program which has been installed in all colleges and universities, developing to the extent of his ability a high degree of coordination and physical alertness.

3. That, furthermore, to preserve a high morale each student will engage in supporting the planned social calendar, and will extend a spirit of friendliness to all students.

(Continued on page 3)

Other Colleges Report Drop

National defense work, the draft, and the abundance of good-paying jobs in Southland industries were cited today as reasons for a drop of 190 students in local enrollment this year.

According to figures released by Registrar Mabel G. Whiting this morning, jaysee's total enrollment stood at 444 today compared with last year's opening day enrollment of 634.

Expect Increase

Additional late registrations which will be continued this week, coupled with the enrollment of night courses Thursday, is expected to increase attendance by two hundred, but the total will still be below that of last fall, it was indicated. However, the expected total enrollment of 550-600 will be approximately the same as the number of students in jaysee last June.

The drop in college enrollment is apparently being felt throughout the state as hundreds of young men continue to be called to the colors, while many others decide to remain out of college this year and work.

Enrollment Drop

Reports from Compton junior college indicate that enrollment there is approximately 650 less than last year at this time, and Los Angeles City college reports a decrease in enrollment of 4000 students.

Office Distributes Handbook Today

Still being handed out on the campus today is the new 1942-1943 Student Handbook edited by Jo Reuter, sophomore journalism student.

More commonly known as the "Frosh Bible" the handbook made its initial appearance during registration week when it was distributed along with the rest of the registration paraphernalia.

Displaying a light brown cover and inside pages of the same color, the "Bible" is illustrated with small sketches depicting different phases of college life.

The book carries a supplement containing the Alma Mater, the college fight song, jaysee track and field records, and class schedule blanks for both semesters.

Campus Remodeling Completed Today

Charles Milner, custodian declared today that the repainting and refinishing of College hall and the adjoining bungalows has been completed.

The main office underwent a change when Registrar Mabel G. Whiting's office was moved from the northwest corner of the larger room to the southwest corner.

Milner added that since war conditions will probably prohibit the college purchasing any more paint, the summer project will be the last one of its kind for the duration.

Dr. Knowlton Replaces Dr. Block As JC Physician

Taking over Dr. Mary Block's duties today as college physician is Dr. Florence Knowlton.

Dr. Block is now engaged full time at the county hospital.

Freshman Reception

Shortage Of Men; May Draft Sophs

Sophomore men may be drafted in two weeks!

Miss Agness Todd Miller, dean of women, and faculty social commissioner explained today that because of the preponderance of women over men this year, sophomore males might be drafted to help entertain the freshman comedies at the annual Freshman Reception which will inaugurate jaysee social activity. The reception will be held at the Ebell club Oct. 16 beginning at 8 p.m.

At the semi-formal dance all incoming students are introduced to the jaysee faculty and administration by means of a reception line. The evening will include get acquainted dances and games of cards, Miss Miller said.

Working with Miss Miller on plans for the reception are Miss Mabel G. Whiting, chairman; T. H. Glenn, in charge of music and the grand march; Miss Frances Egge and Miss Dorothy Decker, refreshments; and Mrs. Gail Smith, games.

JC Minus Services Of 16 Instructors

Gone from the jaysee faculty line up this year are sixteen instructors who have either retired, gone into the armed services, or resigned, a check disclosed today.

Heading the list of absentees is Director D. K. Hammond, retired. Before his retirement this year, Hammond had been with the Santa Ana city schools for 30 years and had been at the head of the jaysee faculty since its inception in 1915.

The nation's armed forces have claimed the services of Maj. H. O. Russell, Lieut. Calvin C. Flint, Lieut. John Ward, Lieut. Harry Jackson, Kramer J. Schleisch, instructor at the local air base, and Hermann Stromer, instructor at Baker, Calif.

Granted sabbatical leave are J. Russell Bruff and Frederick Schroeder. Robert Peterson left for Washington last spring where he is now doing research work for the government.

T. E. Williams, C. E. Line, James J. Sloan, Mrs. Lucinda Burrows, Miss Hazel D. Dawson, and Miss Myrtle A. Martin resigned.

AWS Welcomes Women Students With Tea

The Associated Women Students will hold their annual tea for incoming women collegians Wednesday afternoon from 3 to 5 in the patio and lounge of the Ebell clubhouse.

Greeting the entering freshmen will be Miss Agness Todd Miller, dean of women, Miss Butler, Anita Wasson, WAA president, and Mildred Day, historian.

AGNESS TODD MILLER, dean of women, who will welcome freshman women students at the annual AWS tea Wednesday afternoon at the Ebell clubhouse.

Wilson Replaces Carney On Custodian Staff

Listing James Wilson's replacement of Kenneth Carney as the only change in jaysee's crew of custodians, Secretary Harold Yost of the Board of Education today disclosed that the group will continue with the same duties they had last year.

Mr. Wilson will take over Mr. Carney's duties at the science and shop buildings, and Elmer Bergeson will be in charge of athletic equipment as he has in the past.

Charles E. Milner will continue to serve as custodian of College hall and the bungalows located on the Tenth and Main street campus. Max Heiber will be in charge of the work at the board building and Art Haldane, who served as college gardener last year, has been reassigned to that position.

HITLER'S NEW ORDER

Mass arrests of college professors have been made, and some of Europe's leading universities have been closed.

Campus Service Clubs Announce New Officers For Fall Term

Announcing their officers for the fall term today were five of the nine campus service clubs while the other four served notice that they will elect their student leaders as soon as possible.

Fall semester officers for the Junior Lions include Jimmy Farren, president; Harold Stanley, vice-president; Ray Prothero, secretary; and Ross Hager, treasurer. Tail-twister and lion-tamer will be announced later.

Supreme Spinster

Acting as supreme spinster for the Sisterhood of Spinsters this year will be Mary Leinberger with Alice Iverson assisting as sub-supreme; Jordis Gold, pledge mistress; and Marguerite Baker, historian. The positions of keeper of the quill and keeper of the button box will be filled later.

Dorothy Hazelton will lead Las Meninas activities for the fall semester with a staff of officers including Ruth Murphy, vice-president; Helen Butler, secretary; and Betty Banks, treasurer.

Las Gitanas have announced as officers for this term Barney Langton, president; Anita Wasson, vice-president; and Marie Wallace, secretary-treasurer.

Eugenia Bond will lead the Pilotes this fall with Frances Smith as co-pilot; Fredrica Ewing, hostess; Ada Mae Harbaugh, stewardess; and Jeanne Turner, historian.

JC Students Warned Against Parking

Attention of all new and returning students was today directed by Harold Yost, secretary of the Board of Education, to the fact that student parking is not permitted in the lot behind the Board of Education building.

Evening Session Begins Monday

Preparations were being completed today by Don officials to present for the first time in jaysee history a complete night program beginning Monday evening.

Registration will be held at College hall Thursday and Friday from 7 to 9 p.m. The classes will be offered on a quarterly basis for a 12 week period.

There is no tuition for the regular academic evening classes. A registration fee of \$2.50 to finance the extra night clerical help will be charged every student at the time of enrollment.

A maximum of six units may be taken for college credit during any one term. Regular day students may enroll for evening courses with payment of the registration fee, providing that their combined day and evening program does not exceed the prescribed maximum number of college units acceptable for any one semester's work.

All night school students will be eligible to purchase the regular Associated Student ticket which entitles them to all athletic events during the year, copies of El Don, and the jaysee yearbook, Del Ano.

Courses arranged for men and women who expect to enter the service or defense industries include military correspondence, aeronautical mathematics, trigonometry, calculus, mechanical drawing, and radio.

T. H. GLENN, dean of men, is in charge of the jaysee military reserve program.

El Don To Continue Weekly Supplement

Pictures of campus life throughout the nation will continue to be featured in El Don this year through circulation of Collegiate Digest, the rotogravure supplement that has attracted wide attention here for the past eight years. The first issue of the fall term will be included in the next edition of El Don.

DR. BAKER NEW DON MEDICO
Dr. Willis P. Baker has been appointed to attend jaysee athletes this year, it was learned today.

El Don Sends Papers To Alumni Draftees

Announcement that El Don will continue in the service of Uncle Sam by visiting the many draftee training camps throughout the nation, was made today by Editor Gus Luzania.

Following numerous requests, the staff will send copies of the paper, free of charge, to all Santa Ana Junior college students now in draft camps who care to make personal requests for the paper. A post card, or letter, containing the correct address is all that is necessary to secure the paper.

It is believed that this added service on the part of the paper is a contribution that will be appreciated by those who desire news from the "old home town."

Don Honor Roll Displayed In Library

Jaysee's hero plaque of Carrara black glass will be mounted in the library, Director John H. McCoy disclosed today.

Already containing the names of three Don alumni who have lost their lives on the field of battle, the roll of honor may be further increased by the reports that six more former Dons are either missing in action or have been killed.

Inscribed on the plaque during the summer were the names of Del Holan '40, Bok Spickard '41, and Allan Goff '40. Holan was killed in action on the Eastern theatre of war last Feb. Spickard died in a navy plane crash at Norfolk, Va., while Goff was lost during a British bombing attack on Germany. Pilot Goff was a member of the RAF.

Listed by the war department as either killed or missing in action are Walter Swanberger '41, Bob Guenther '40, Gilbert Planchon, Ray Corry, Myers McCroary, and Peter Plumb.

Pocket Grid Cards Available Now

Pocket schedules carrying the 1942 Don football calendar, as well as last year's grid results, are ready for distribution to Orange county service clubs, civic organizations and college students.

No Frosh Beanies

Associated Student President Bob Brigante today declared that the college has run out of freshmen beanies and pending further arrangements countless freshmen will be minus the familiar red and black caps.

As a result of the beanie shortage Brigante advised all sophomores to forego any freshman hazing until further necessary arrangements are made.

Cookmen Meet Compton Friday; Seek Second Victory Of Season

Big Schedule Awaits Dons

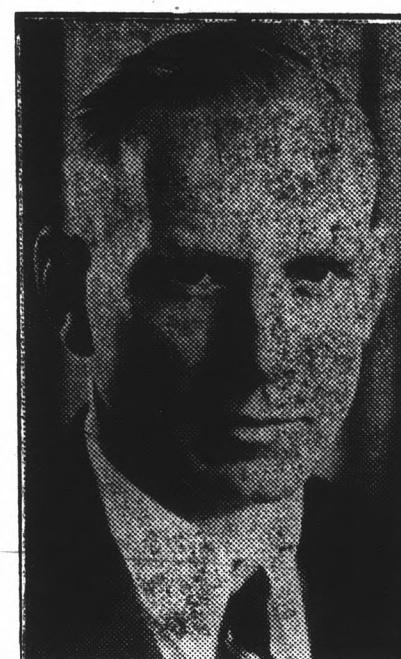

With one game having already been played, nine contests remain on the Don football schedule for the current season, according to final listings this morning by Head Coach Bill Cook and Line Coach Bill Foote.

Following this Friday's afternoon tussles with the Compton Tartars there will still be six more games on the home field with the Cookmen traveling to foreign soil for the remaining three.

The Scarlet and Black will make one long journey when they travel to Phoenix, Ariz. Dec. 12. All other games will be comparatively close to Santa Ana.

The grid calendar:

- *Oct. 10—Compton at Santa Ana
- *Oct. 16—Pomona at Santa Ana
- *Oct. 23—San Berdoo at Santa
- *Oct. 23—San Bernardino at Santa Ana
- Oct. 31—Pasadena at Santa Ana
- Nov. 6—Loyola "B" Varsity at Santa Ana (tentative)
- Nov. 11—USC Freshmen at Santa Ana
- *Nov. 20—Dons at Riverside
- *Nov. 26—Dons at Fullerton
- Dec. 5—March Field at Santa Ana
- Dec. 12—Dons at Phoenix (tentative)
- *Conference games

COACH BILL FOOTE is the new Don line mentor replacing Lieut. John Ward. Foote has been with the local high school P.E. department for the past several years. (Cut courtesy Register)

Admission Prices For Don Home Contests Disclosed

A charge of 55 cents per person will be made at all conference football games this year Director John H. McCoy declared today.

Mr. McCoy added that a special admission charge of 30 cents will be made to men in uniform and high school students. Children under 12 will be charged ten cents.

(Continued from page 1)

Whereas the first six weeks of scholastic activity at Santa Ana Junior college is traditionally set aside for adaption and orientation of freshman students, and

Whereas, for such orientation a specific procedure of initiation is adopted,

It is hereby proclaimed that the aforementioned freshman shall obey the following regulations during the specified time up to and including Kangaroo Court:

1. That each and every freshman student shall have in his possession at all times a copy of the Student Handbook, otherwise known as the Frosh Bible.

2. That he shall be able upon demand to recite from memory any rote material such as songs, yells, or oaths to be found in the Frosh Bible.

3. That each and every freshman shall wear upon his head at all times the traditional red and black "beanie," which is a sign of his class.

4. That, furthermore, the members of the lower class shall show utmost respect at all times to members of the upper class.

Defeat Corsairs For Initial Win

In their first major test of the '42 season, Bill Cook's Dons tangle with the powerful Compton Tartars Friday afternoon at 3 in the Municipal bowl in a non-conference game.

Always a strong contender for the Metropolitan conference grid crown and annually considered one of Southern California's "big" jaysee teams, the Tartars this fall feature an array of speedy backs and fast charging linemen.

Compton will use the "T" formation in an effort to break its fleet-footed backs into the clear. Quarterback Jimmy Thompson, triple-threat star, will spark the Tartar attack. He is one of the most elusive backs to play for Compton in recent years and looms as one of the standouts in jaysee football this fall. Thompson is exceptionally dangerous on sweeping end runs. Halfback Ad Holden and fullback Jim Kemp are other Tartar threats.

The Dons scored their first victory of the season last Friday afternoon when they downed the Santa Monica Corsairs 40 to 0 in the Municipal bowl.

Mixing a powerful ground attack with a high-scoring aerial offense, the Scarlet and Black easily downed the beach eleven and thereby served notice on the members of the Eastern conference that the Dons are potential threats to grab their third pigskin crown in as many years.

CPT TRAINING PROGRAM CLOSED TO 1-A MEN

Introduce Night Courses Here

CPT Coordinator Harry Cornsweet today announced that the local draft board will no longer be able to release men in 1A classification from the selection service draft in order that they may enlist in the Civilian Pilot Training program.

Cornsweet declared that 30 students are now undertaking flight training at Baker, Calif., while 20 more will be sent from here as soon as the first group terminates its desert course.

New Instructors

Instructors for the new CPT night program which will begin Monday are Willard Powell, navigation; C. R. Nisewanger, general service and operation; and H. F. Ballinger, civil air regulations.

Summer Courses

Completing the July course at Baker this summer were Kenneth Anderson, Chauncey Arnold, James Clark, Eugene Faber, Ernest Cunningham, Leonard Deakins, Paul Hosler, Frederick Kahan, William Leinberger, Vincent Meek, William McFarren, Elmer Royal, Joseph Santry, Paul Simons, and Donald Smith in the elementary division.

In the secondary program the following men completed their eight weeks training:

Secondary Group

Francis Bassler, Douglas Charlton, Lewis Coffman, Lucius Conkey, Alton Fowler, John Green, John Levy, Archibald MacLachlan, Trevor McIver, Ralph Miller Jr., Frank Moore, Donald Newman, LeRoy Petersen, Emil Peterborg, and Wilbur West.

Currently going through their training period at Baker in the

A Suggestion To Collegians

Perhaps one of the most successful methods of helping to conserve the nation's rubber supply has been the "share the ride" plan which has proven a great aid to the war industries.

The problem facing students in getting to and from college is similar to the one defense workers had shortly after the tire rationing laws were passed. The war workers have found an effective solution so why not a "share the ride" plan for collegians?

Students living in adjacent districts would do well to make an effort to pool their cars and rotate every week.

We realize that many collegians are already riding to jaysee with their friends, more so than last year or any other year. So far, however, this effort has been sporadic and unorganized.

A real attempt at ride-pooling should eliminate a great deal of unnecessary riding and thus help conserve the nation's dwindling rubber stocks.

Here is one plan that could be followed: Place a bulletin board in College hall, mark it off into districts to represent the various residential areas surrounding the college and allow students to indicate their desire for rides or sharing rides by placing their names in the appropriate district on the board.

Elementary group are Werneth Bickel, Robert Blake, Carroll Bressler, James Duckworth, William Galusha, Earl Johnson, Maurice Jones, Clifford Kent, Glenn Layton, Richard Magill, Frederick Mooney, Samuel Norsworthy, Vernon Palmer, Felton Roberson, and Irwin Vermillion.

In the secondary division now at Baker are Robert Alexander, Jack Allen, Harry Bosley, Richard DeLong, Leslie Edwards Jr., Don Egermayer, Jack Guernsey, Raymond Harris, Elwood Harvey, Harry Hulse, Edward Modes, Norman Murray, James Perduyn, James Powell, and John Sheerer.

New Clerical Help In College Office

Names of new secretaries working in the college office were obtained today following a complete turnover in personnel. Now on the office staff are Mrs. Jane Torrey, Miss Helen Joiner, and Miss Connie O'Donnell.

Currently employed as secretary in the CPT office is Miss Margaret Rowlands. Replacing Miss O'Donnell at the Board of Education switchboard this year is Mrs. Freda Glidden.

Student Photographs Used Home Economics Will Not For Office and Placement Be Offered This Year

Bureau Records

Pictures taken of all jaysee registrants this year are to be used for office files and in the placement bureau, Office Secretary Helen Joiner stated today. Student counselors will also receive pictures of students for their files, she added.

The new policy of having pictures of students taken before registration was adopted this year to insure the required likeness of each student.
